LTC # **055-2015**

CITY CLERK'S OFFICE
LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager 

DATE: February 5, 2015

SUBJECT: Evaluation Committee Relative to Request for Proposals (RFP) No. 2014-253-YG, for Design/Build Services for 54" Redundant Sewer Force Main (the RFP)

The purpose of this LTC is to update the Mayor and City Commission on the Request for Proposals (RFP) No. 2014-253-YG, which seeks to establish an agreement with a qualified firm(s) for Design/Build Services for 54" Redundant Sewer Force Main.

The City has received two (2) responses pursuant to this RFP. Responsive proposals will be reviewed by the Evaluation Committee in accordance with the criteria established in the RFP.

I am considering appointing the following individuals to serve on the Evaluation Committee:

- Jay Fink, Assistant Director, Public Works Department
- Thais Viera, Sr. Project Manager, Office of the City Manager
- Mark Tomczyk, Sr. Capital Projects Coordinator, Office of Capital Improvement Projects

I am also considering the following individual as an alternate:

- David Martinez, Director, Office of Capital Improvement Projects
- Jose Rivas, Civil Engineer III, Public Works Department

I would appreciate any comments and/or suggestions you may have by Tuesday, February 10, 2015.

Thank you.

C: Mark Taxis, Assistant City Manager
Alex Denis, Director, Procurement Department
