324-2015

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: August 14, 2015

SUBJECT: **SUNSET ISLANDS 3 & 4 - NEIGHBORHOOD IMPROVEMENT PROJECT
- PROJECT UPDATE AND SIDEWALK STATUS**

The purpose of this Letter to Commission (LTC) is to provide a project update for the Sunset Island 3 and 4 Neighborhood Improvement Project including the community's desires regarding the proposed sidewalk along the Sunset Drive.

The Design/Build project is currently in the final design and permitting phase. The sanitary sewer lining is in progress. The installation of the water main and the conduits for the franchise utility system undergrounding are anticipated to commence within the next three (3) weeks.

The final roadway design is in progress and the Design Criteria Package (DCP) designates installation of new sidewalk on the west side along Sunset Drive. The community has requested the elimination of the proposed sidewalk from the project scope. The project will proceed in accordance with the community's request, unless the Commission feels that we should move forward with the addition of sidewalks.

I would appreciate any comments and/or suggestions you may have by August 21, 2015.

Should you have any questions, please contact David Martinez at ext. 6972.
