OFFICE OF THE CITY MANAGER

NO. LTC# **032-2016**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: January 25<sup>th</sup>, 2016

SUBJECT: **Commencement of the South Pointe Park Water Feature Remediation Project**

The purpose of this LTC is to notify the City Commission that the South Pointe Park Water Feature Remediation Project will be commencing on Monday, January 25th, 2016.

This project is located at the south end of Washington Avenue, and will replace the interactive water features with passive water features/fountains and misters as well as related pumps, filters and lights. Temporary construction fencing will be installed in order to maintain security and protect public safety. This section of the park will be closed for approximately 6 months. While the plaza is closed, the sidewalk which runs alongside the east edge of the project will remain open for pedestrian access and use.

Should you have any questions, please contact David Martinez at 305-673-7071.
