

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # **034-2016**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: January 22, 2016

SUBJECT: **Community Meeting to Discuss Parkview Island Park Future Playground & Fitness Circuit Design**

On Tuesday, February 2, 2016 at 6:00 p.m. the Parks and Recreation Department will be hosting a community meeting to discuss the future playground and fitness circuit plans for Parkview Island Park at North Shore Park Youth Center.

In 2013, Parkview Island community leaders met with City representatives on several occasions on ideas to improve the Parkview Island area. Among these improvements, a children's playground and other furnishings for the park were suggested, and through the capital budget process was funded this year. The proposed installation of the playground and fitness circuit will add a recreation element to the small neighborhood park.

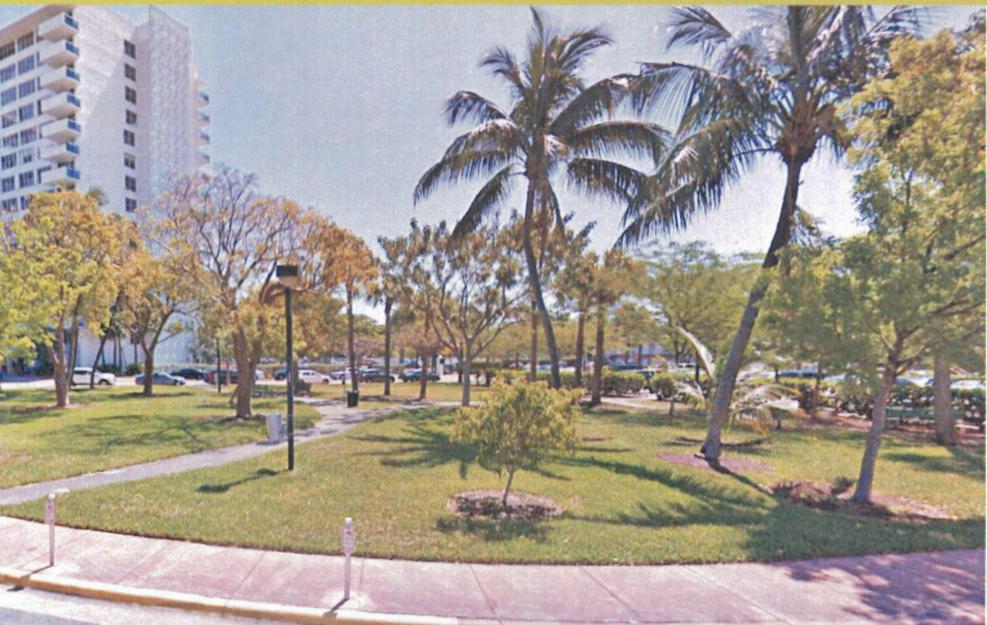

Before the project design is finalized, the community meeting will be held to solicit input from the community and to address any concerns.

Should you have additional questions, please contact Liz Valera at (305) 673-7730.
