

OFFICE OF THE CITY MANAGER

NO. LTC# 412-2015

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: October 21, 2015

SUBJECT: **Parks and Recreation Offers Free Swim Classes in After-school and Playtime Programs**

The Parks and Recreation Department is now offering free swimming classes to the participants enrolled in the After-school and Playtime programs. The participants will learn stroke development, water safety and drowning prevention. According to the Centers for Disease Control and Prevention, drowning ranks fifth among the leading causes of unintentional injury death in the United States. Studies have proven that taking part in formal swimming lessons reduces the risk of drowning among children. We are committed to help reduce this risk.

For more information on locations, dates and times, please refer to the flyer attached. Should you have additional questions, please contact Cindy Casanova at (305) 673-7730.
